Product description

- This very slim and elegant profile can be used to make the transition between a higher and a lower floor.
- Can be used with **clicked vinyl** floors.
- Wear-resistant quality aluminium, silver tone.
- Installation with the supplied subprofile. Glue the sub-profile to the subfloor, then press the adapter profile into the subprofile.

Tip: use a hammer and e.g. the Quick-Step® tapping block as a help to press the adapter profile in the subprofile.
